

TRUSTPOINT.ONE - LEGAL TALENT SOLUTIONS

We can help with your diversity hiring objectives.

According to recent data, only 15% of US lawyers are minorities*

Over 42% of our legal placements are minorities.

As diversity requirements have moved to the forefront of many corporate and law firm priorities, we've helped many of our clients with their diversity staffing objectives. Our search process is established, reliable, and features a proven history of success in placement.

An Established Process

Finding the right candidate starts with knowing where to look. When it comes to diversity objectives, we developed a search methodology that ensures we're building the best possible candidate pools, whether your need is to hire on a flexible (contract) or permanent basis.

Our searches include:

- State-specific diversity bar associations
- HBCU's (Historically Black Colleges / Universities)
- Minority focused legal associations & networking partnerships
- Black / Hispanic fraternities & sororities
- Multi-step, language-based filtering
- Corporate affinity networks & more
